Maricopa County Justice Courts to Remain Open

Maricopa County's 23 Justice of the Peace Courts will remain open to serve the public during this tragic time in U.S. history," according to Justice of the Peace Presiding Judge Lester Pearce.

"We are a community court and do not perceive a threat to our local Justice Courts," he said. "We will continue to conduct business in the courts in an efficient manner."

"Our thoughts and prayers go to all those suffering from today's tragedies," Pearce said.
